Stall information

It is essential that you state what you will be selling/displaying/doing on the application form to allow the organisers to place each stall in an appropriate position.

Gazebos/Tents/Equipment

Set up needs to be completed by 9.00am with no vehicle movement after that unless in an emergency. The organisers reserve the right to check the exhibitor's equipment and to prohibit its use if thought to be unsafe. All pitches are required to bring and erect their own gazebo/tent. Pitch boundaries adjoin the neighbouring pitch, so you must ensure your gazebo/tent/equipment fits within the area you have booked. No electric will be supplied to any stalls. Please specify on your booking if you will be bringing a generator.

Camping

One tent/caravan is permitted per pitch. Camping is situated in a separate designated area. Please specify on the booking form if you require camping and the number of people camping (all people camping must have wristbands – see below)

Staffing of your pitch

Please ensure that your pitch is staffed at all times. The event is open to the public between 10am and 5pm each day. Each stall will be provided with 2 wristbands that must be worn by staff at all times. Additional wristbands for weekend pitches can be purchased at the time of booking for £10 each. The organisers will not accept responsibility for lost or damaged property. Please note that the event finishes at 5pm Saturday and Sunday and you should be prepared to stay until the event has finished.

Insurance

All stalls must provide a copy of their Public Liability Insurance covering the dates of the event. Failure to do so will result in not being able to trade.
